Start and end of the day...

Attendance and Punctuality

It is incredibly important that children are in school everyday, on time. Children should arrive between 8:25-8:40am. We begin our learning shortly after this time so it is imperative children are in school promptly.

Missing even 5 minutes of school a day impacts on your child's learning.

MOMENTS MATTER, ATTENDANCE COUNTS!

End of the day collection is at **3:10pm**

DID YOU KNOW? If you are 15 minutes late each day you will have missed 2 full weeks of school in one year?

Lunches

The lunch menu has been sent to parents for this term so please discuss the options with your children each week so they know what to order. If your child has any allergies, please complete an allergy survey online.

Reading in Year 2

Our mission at Stanburn Primary School is to teach every child to read – and to keep them reading, with no exceptions.

Our children will learn to read with confidence, fluency and understanding, providing them with the skills required to achieve a lifetime of enjoyment through reading.

Reading lessons are prioritised across our whole school.

Reading lessons take place daily in Year 2.

Believe, achieve, succeed
Learning without limits

Reading in Year 2

Children that are reading fluently are explicitly taught the skill of reading through the use of VIPERS (created by Rob Smith – The Literacy Shed). In Year 2 reading skills are explicitly taught and practiced using the VIPERS model during whole class reading sessions.

KS1 Content Domain Reference	VIPERS
1a draw on knowledge of vocabulary to understand texts	Vocabulary
1b identify/ explain key aspects of fiction and non-fiction, such as characters, events, titles and information.	Retrieve
1c identify and explain the sequences of events in texts	Sequence
1d make inferences from the text	Infer
1e predict what might happen on the basis of what has been read so far	Predict

Reading Banded Books in Year 2

Children that have come off our phonics scheme will move onto reading banded books in Year 2. At Stanburn our 'non-scheme' banded book system grades books by difficulty level. Each level has its own colour and includes a selection of different reading scheme books and a range of fiction and non-fiction 'real' books. The difference between each band is gradual so that children will not experience difficulty when moving from one to the next.

This chart gives an indication of the range of Book Band levels at which most children will be reading as they progress through the school.

Reading Banded Books in Year 2

It is really important that children develop their **comprehension** skills alongside their ability to read the words on the page so you may find that your child is able to read the words fluently but continues on the same Book Band colour for a while to enable them to focus on developing their understanding.

Class teachers assess the children's reading on a regular basis and will change their **Book Band colour only when they are confident that both the comprehension and word reading targets have been fully met.**

You child will take home a banded book **once a week** which is to be read at home for **at least 15 minutes each day.**

Please record and comment on your child's reading in their home reading record and encourage them to share their opinions about the texts they have read.

Reading for pleasure in Year 2

We not only want our children at Stanburn to learn to read – we ensure our pupils develop a love of reading by exposing them to high quality texts each day during story time and throughout the curriculum.

Believe, achieve, succeed
Learning without limits

How to support reading at home.

Daily reading practice will help develop children's **decoding** and **comprehension** skills, although it is not expected that each child will read a whole book every night.

Children may only read a few pages, but will spend longer discussing their understanding of what they have read in order to progress in developing their comprehension skills.

- **We expect children in Year 2 to read for at least 15 minutes at home each day.** Please comment in your child's home reading record and encourage them to share their opinions about the texts they have read.
- They will also take home an independently chosen book from their reading corner or library to read for pleasure.
- **Please comment in your child's reading record at least three times a week. This will be monitored by the class teacher.**

Believe, achieve, succeed
Learning without limits

Parents are also able to purchase high quality age appropriate texts using our recommended reading list.

These books are **engaging** and **enjoyable** for children to read and have been specifically compiled by reading experts (The National Literacy Trust, BookTrust) to encourage children to **read pleasure** thereby helping them form a **daily reading habit**.

The list of Top 100 Reads is regularly reviewed and updated.

RELATIONSHIPS & HEALTH EDUCATION (RHE)

RHE is a statutory part the curriculum

Our aim: To give every child the knowledge, language and confidence they need to look after themselves, stay safe and develop healthy, respectful relationships.

What will children learn?

Children learn about relationships, respect, safety, health and wellbeing, developing the knowledge and confidence to make positive choices.

How do we teach it?

Through Jigsaw PSHE, using age-appropriate, interactive lessons that encourage children to talk, reflect, ask questions and build life skills.

In addition, at Stanburn Primary School, our **PSHE** lessons are based on Jigsaw, a PSHE Association Quality Assured scheme of work, providing a consistent and progressive approach across the school.

More information can be found on our website.

Home Learning

Children will be set on Class Dojo every **Friday**.

Home learning is recorded in pupils' Home Learning book each week.

There will also be an online element to Home Learning which will not need to be recorded formally.

The children are responsible for bringing and handing in their homework on the following **Wednesday**.

Reading

All children need to read for at least 20 minutes per night following the guidance on the previous slides. They must write comments in their Reading Diaries (at least three times a week) and this must be signed by parents weekly. This should be handed in on Wednesday.

This will be checked every **week**.

Class Dojo – Communication Expectations

ClassDojo

We value the positive relationship we have with our families and recognise that ClassDojo is a useful way of keeping in touch with parents and carers. To ensure that it remains a positive and manageable form of communication, we ask everyone to follow a few simple expectations.

- **Keep comments positive:** Comments on ClassDojo posts should be positive, supportive and appropriate for the whole class community. If you have a concern or something you would like to discuss, please contact the school directly by email rather than raising it in the comments.
- **Please don't use ClassDojo for complaints:** ClassDojo is an informal messaging platform and is not the appropriate place to raise or discuss complaints. Any concerns or complaints should be communicated to the school by email and will be dealt with through the appropriate school procedures.

- **Messages can be sent at any time:** We understand that parents and carers may have things they need to communicate outside of school hours. You are welcome to send a message whenever it is convenient for you. However, please be aware that staff will only read and respond to messages during their normal working hours. There should be no expectation of an immediate response.
- **Keep messages brief:** ClassDojo works best for short, straightforward messages. If you feel that something would be better discussed in more detail, please contact the school to arrange a meeting or telephone conversation.
- **Please be respectful:** We ask that all communication between parents, carers and staff remains polite, respectful and constructive. We all share the same aim of supporting our children and maintaining positive relationships between home and school.
- **Reporting absence:** If your child is going to be absent from school, please notify the **school office** using the school's usual absence reporting system. Please do not report absences through ClassDojo or directly to the class teacher, as messages may not be seen promptly.

Thank you for your understanding and for helping us to keep ClassDojo a positive, useful and manageable way for school and home to communicate.

Communication

If you have any concerns about behaviour or well-being of your child, please follow the below procedures:

1. In the first instance, make an appointment to with your child's class teacher.
2. If, following your discussion with the class teacher you would like more information, make an appointment to speak with your Year Leader who is responsible for the year group.
3. If further support is required, the concern will be referred to a member of the Senior Leadership Team. The school will then decide which leader it is most appropriate for you to meet with, depending on your concern.

There is also a [Stanburn Communication Chart](#) available with additional contact information for 26-27.
