Communication

Believe, achieve, succeed
Learning without limits

The school uses Class Dojo as an informal communication channel with parents. Parents can see their child's dojo points and also have access to their child's Class Story and the School Story. The Class Story can only be seen by parents of the class. The School Story can be seen by all parents.

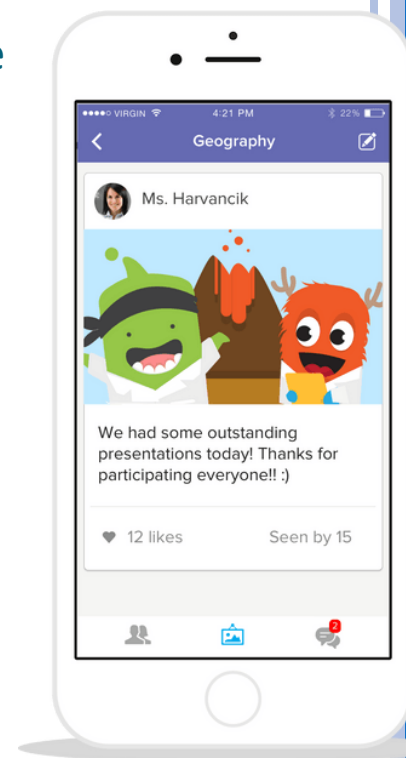

ClassDojo

People outside of Stanburn Primary School cannot access our account. The Class/School Story might include pictures of the children working, children celebrating success or provide information for parents from the class teacher. Parents can like posts and can comment. Negative comments are not permitted and will be deleted.

Parents are also able to message the class teacher. Messages should be short questions or information the class teacher needs to be aware of. Messages should not be complaints/serious concerns or requests for performance updates. Instead, requests of this nature should be sent to the school office. Absence messages must also be sent to the school office.

Please note, staff will reply to messages within working hours only.

Start and end of the day...

Attendance and Punctuality

It is incredibly important that children are in school everyday, on time. Children should arrive between 8:25-8:40am. We begin our learning shortly after this time so it is imperative children are in school promptly.

Missing even 5 minutes of school a day impacts on your child's learning.

MOMENTS MATTER, ATTENDANCE COUNTS!

End of the day collection is at **3:15pm**.

DID YOU KNOW? If you are 15 minutes late each day you will have missed 2 full weeks of school in one year?

Uniform

Believe, Achieve, Succeed
Learning without Limits

All pupils are expected to wear **full, smart school uniform each day.**

At the end of last year, changes were made to our uniform policy and by September 2026 we expect all pupils to wear **navy and gold ties.**

PE kit may be worn on PE days. PE t-shirts no longer need to be linked to house colours. By September 2026, all pupils should have a **sky blue PE t shirt.**

Trainers are not part of school uniform and pupils should only wear these on PE days.

Trips and Learning Enrichment at Stanburn

We are passionate about providing our pupils with a range of enrichment opportunities to support work which takes place within the classroom. Across the school year, pupils will attend a range of experiences both in school and out of school. Where possible, trips which take place outside of school will make use of the TfL's travel scheme and pupils will walk to trips which are within a 30 minute walking radius of the school.

In addition to this, all learning enrichment opportunities here at Stanburn Primary School link to one of 'Our 5 for Five - Developing Cultural Capital' statements which ensure every pupil will be able to develop:

- A sense of self
- A sense of community
- A sense of culture
- A sense of awe and wonder
- A sense of their future

*Please note, a firm booking for workshops and trips will **not** be made by the school until the payment deadline (as detailed in the letter). If by this date, parents have not paid, the workshop will be cancelled.*

TRIPS THIS ACADEMIC YEAR

- Greek workshop
- London Zoo
- Local Church
- Science museum
- Verulamium
- Wagamama

Relationship and Health Education (RHE)

RHE is a statutory part the curriculum

RHE covers a variety of topics, with a particular emphasis on: **relationships, privacy, consent, rights & responsibilities, communication skills and scientific knowledge of the human body.**

It contributes to safeguarding pupils, promoting their emotional wellbeing and a positive ethos and environment for learning.

*In addition, at Stanburn Primary School, we base our PSHE lessons on **Jigsaw**: a PSHE Association Quality Assured scheme of work. More information can be found on our website.*

Reading in Year 4

Our mission at Stanburn Primary School is to teach every child to read – and to keep them reading, with no exceptions. Our children will learn to read with confidence, fluency and understanding, providing them with the skills required to achieve a lifetime of enjoyment through reading and reading lessons are prioritised across our whole school.

Whole Class Reading lessons take place daily in Year 4. Children that are reading fluently are explicitly taught the skill of reading through the use of VIPERS (created by Rob Smith – The Literacy Shed).

Reading sessions take place 5 x a week for 30 minutes using specifically selected texts and the lessons are designed to help pupils master the reading skills needed in Key Stage 2. Our reading lessons are separate to but may complement other topics pupils are learning about. These lessons are also used to expose pupils to texts that broaden their knowledge of the wider world.

Reading Banded Books in Year 4

At Stanburn our 'non-scheme' banded book system grades books by difficulty level. Each level has its own colour and includes a selection of different reading scheme books and a range of fiction and non-fiction 'real' books. The difference between each band is gradual so that children will not experience difficulty when moving from one to the next.

This chart gives an indication of the range of Book Band levels at which most children will be reading as they progress through the school.

Reading Banded Books in Year 4

The chart shows the Book Bands for an 'average' group of children but children are all individuals who learn and make progress at different rates, so the chart is only a guide. As well as periods of rapid progress, your child will probably have periods of consolidation when progress is not as obvious. Although this may seem worrying, this is the time when they have the chance develop confidence in using and applying their newly acquired skills.

It is really important that children develop their comprehension skills alongside their ability to read the words on the page so you may find that your child is able to read the words fluently but continues on the same Book Band colour for a while to enable them to focus on developing their understanding. Class teachers assess the children's reading on a regular basis and will change their Book Band colour only when they are confident that both the comprehension and word reading targets have been fully met.

Please discourage your child from seeing the Book Bands as a race through the colours, but help them to understand that each band will offer a range of books which will help them in developing different reading skills.

You child will take home a banded book once a week which is to be read at home for at least 20 minutes each day. Pupils will be expected to comment in their reading records at least three times a week. Please support and encourage children to write these comments using the prompts provided their reading records.

The Reader Teacher

Reads, Reviews & Recommendations!

How to support reading at home.

Parents are also able to purchase high quality age appropriate texts using our recommended reading list. These books are engaging and enjoyable for children to read and have been specifically compiled by reading experts (The National Literacy Trust, BookTrust) to encourage children to read pleasure thereby helping them form a daily reading habit. The list of Top 100 Reads is regularly reviewed and updated.

<https://www.thereaderteacher.com/year4>

We have provided a bank of helpful prompts children can use when writing their reading record comments. You will also find a variety of questions you can ask your child about the book they are reading. These can be found inside each child's reading record.

Believe, achieve, succeed *Learning without limits*

How to support reading at home.

Daily reading practice will help develop children's fluency and comprehension skills, although it is not expected that each child will read a whole book every night. Children may only read a few pages, but will spend longer discussing their understanding of what they have read in order to progress in developing their comprehension skills. We want to encourage children to read a variety of texts on a regular basis, even taking opportunities to note and read texts in their environment such as leaflets, information posters, newspapers etc.

- **We expect children in Year 4 to read for at least 20 minutes at home each day.**
- Children will take home a colour banded reading book in line with their assessed reading level once a week. They will also take home an independently chosen book from their reading corner or library to read for pleasure.
- **Please support children by making sure they write comments in their reading record at least three times a week. This will be monitored by the class teacher.**
- Please ensure and support children to complete any other reading comprehension homework that is sent home by the class teacher.

Home Learning

Children will be set on Class Dojo every **Friday**.
Home learning is recorded in pupils' Home Learning book each week. The children are responsible for bringing and handing in their homework on the following **Wednesday**.

Reading

All children need to read for at least 20 minutes per night following the guidance on the previous slides. They must write comments in their Reading Diaries (at least three times a week) and this must be signed by parents weekly. This should be handed in on Wednesday.
This will be checked every **week**.

Home Learning Guidance and Expectations

Please copy and paste the Year Group Home Learning expectations from the G & E doc. here e.g.

Year 4 Home Learning Expectations:

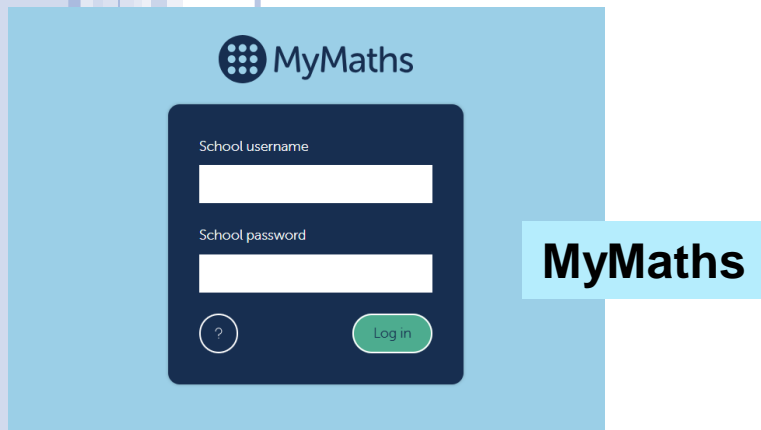

- My Maths task (online) weekly which is set by the teacher based on the children's current learning.
- Weekly SPAG practise.
- Weekly reading comprehension.
- Children take home one colour banded reading book and one storybook each week. They are expected to complete 15 minutes daily reading. Parents must listen to children read and write a comment in their reading diary. Reading records are checked and signed weekly by staff and a comment will be written where necessary.
- 10 spellings weekly to learn weekly accompanied by a Spelling Shed activity worksheet which must be completed.
- TTRS practise.

Spelling Home Learning

From this year, children will receive **10 spellings to learn weekly** and a **spelling home learning worksheet** each week on a Friday; pupils will be expected to complete the worksheet and learn the new words, as well as **revising previously learnt words using the online platform**, each week. Spelling tests will then take place on **Wednesday** – the same day that home learning is due in.

Assessment Times table check

The Multiplication Tables Check (MTC) is a Key Stage 2 assessment to be taken by pupils at the end of Year 4 (in June). This will be an online test.

The purpose of the MTC is to make sure the times tables knowledge is at the expected level.

A separate meeting about the MTC will be held for parents nearer the time.

A good way to prepare is start early and build a daily routine practising the times tables (TTRS). With regular practice you will learn all the questions and gain confidence.

Working in Partnership

The year team would once again like to work in partnership with parents and guardians to ensure that we all have a fantastic year.

Things you can do at home to support your child:

- Read regularly with your children
- Have conversations about their learning
- Support home learning
- Ensure they are organised and ready for their day at school with all the necessary equipment.
- Read the [curriculum newsletters](#).

These are digital newsletters which can be viewed online.

The link will be sent to parents this week.

Communication

If you have any concerns about social behaviours or bullying please follow the below procedures:

1. In the first instance, make an appointment to with your child's class teacher.
2. If, following your discussion with the class teacher you would like more information, make an appointment to speak with your Year Leader who is responsible for the year group.
3. If further support is required, the concern will be referred to a member of the Senior Leadership Team.

Believe, achieve, succeed
Learning without limits

If you have any questions throughout the year, do not hesitate to email the school office and remember to include your child's name and class.
