Value of the month

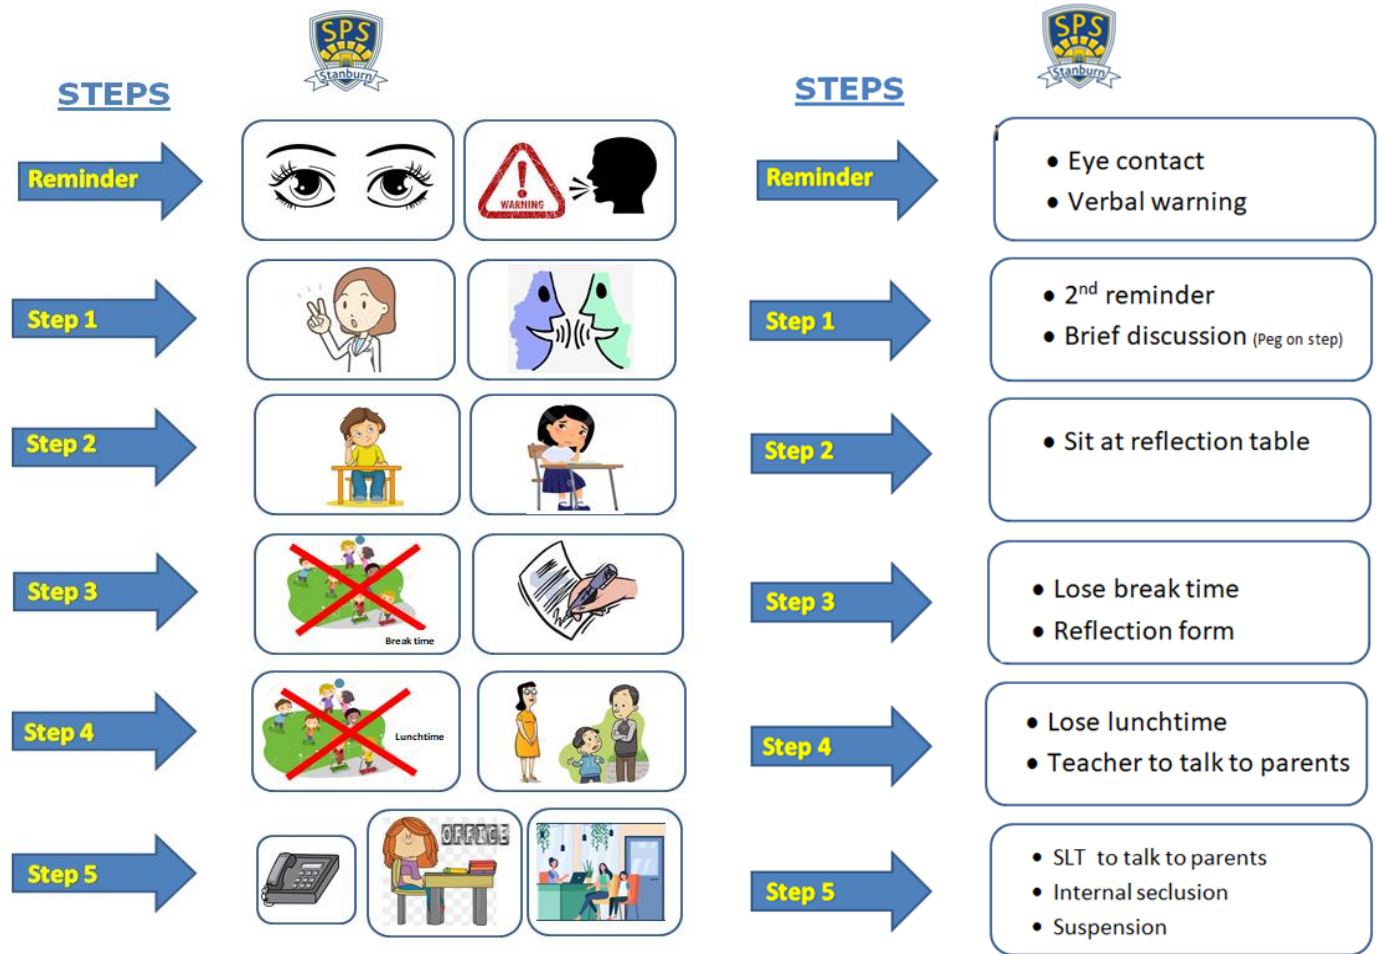

**Congratulations**

**50 dojos!**

**Super  
work!**

Can you collect them all?

## Behaviour

Our 5 step behaviour plan supports pupils making positive choices.

# Communication

Believe, achieve, succeed  
*Learning without limits*

We will be using Class Dojo again this year. Parents will be able to see their child's dojo points and also have access to their child's Class Story and the School Story. The Class Story can only be seen by parents of the class. The School Story can be seen by all parents.

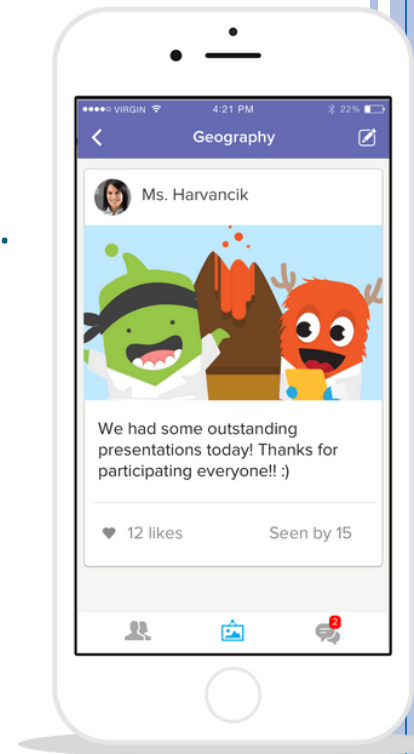

## ClassDojo

People outside of Stanburn Primary School cannot access our account. The Class/School Story might include pictures of the children working, children celebrating success or provide information for parents. Parents can like posts and can comment. Negative comments are not permitted and will be deleted.

Parents will also be able to message the teacher. Messages should be: short questions, information the class teacher needs to be aware of.

They should not be: complaints/serious concerns, requests for performance updates.

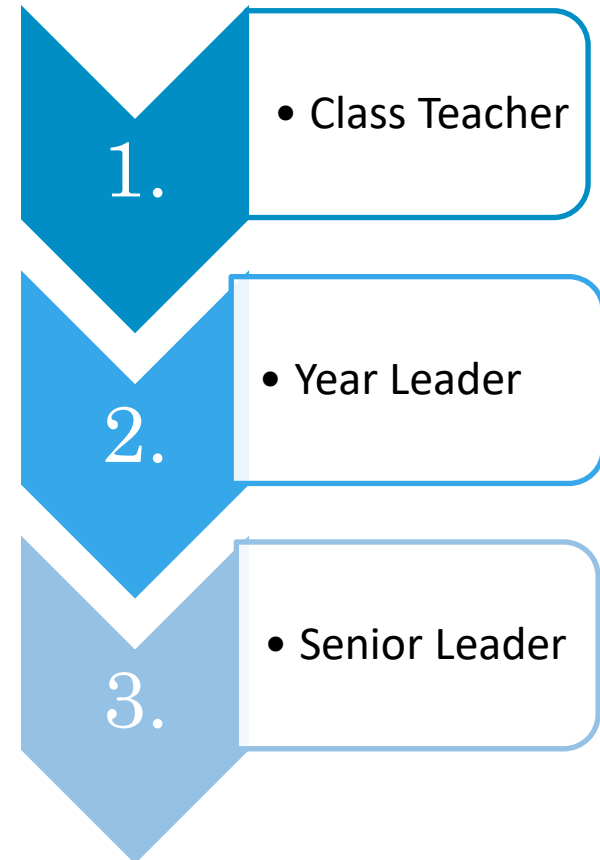

Believe, achieve, succeed  
*Learning without limits*

# Communication

If you have any concerns about social behaviours or bullying please follow the below procedures:

1. In the first instance, make an appointment to speak with your child's class teacher.
2. If, following your discussion with the class teacher you would like more information, make an appointment to speak with your Year Leader who is responsible for the year group.
3. If further support is required, the concern will be referred to a member of the Senior Leadership Team.

# ParentPay

## Lunches

Kindly ensure that you have selected either packed lunch or a school lunch for your child.

The lunch menu has been sent to parents so please discuss the options with your children each week so they know what to order. If a child has any allergies, please complete an allergy survey online.

# Trips and Learning Enrichment at Stanburn

## Intent

We are passionate about providing our pupils with a range of enrichment opportunities to support work which takes place within the classroom. Across the school year, pupils will attend a range of experiences both in school and out of school.

All learning enrichment opportunities here at Stanburn Primary School link to one of 'Our 5 for Five - Developing Cultural Capital' statements which ensure every pupil will be able to develop:

- **A sense of self**
- **A sense of community**
- **A sense of culture**
- **A sense of awe and wonder**
- **A sense of their future**

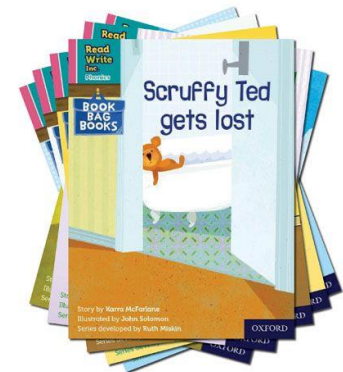

Believe, achieve, succeed

## Reading in Year 1

- Our mission at Stanburn Primary School is to teach every child to read – and to keep them reading, with no exceptions.
- We teach our pupils in Stanburn the foundations of reading using our chosen Systematic Synthetic Phonics Scheme Read Write Inc.
- Reading lessons are prioritised across our whole school. Phonics and **reading lessons take place daily** in Year 1 where they are explicitly taught a new sound each day.
- Each week children in Year 1 will take a 'Read Write Inc' phonics book home. These phonically decodable home reading books link directly to children's current phonics knowledge and learning. These books are to be **read at home each day for at least 15 minutes.**

Believe, achieve, succeed  
*Learning without limits*

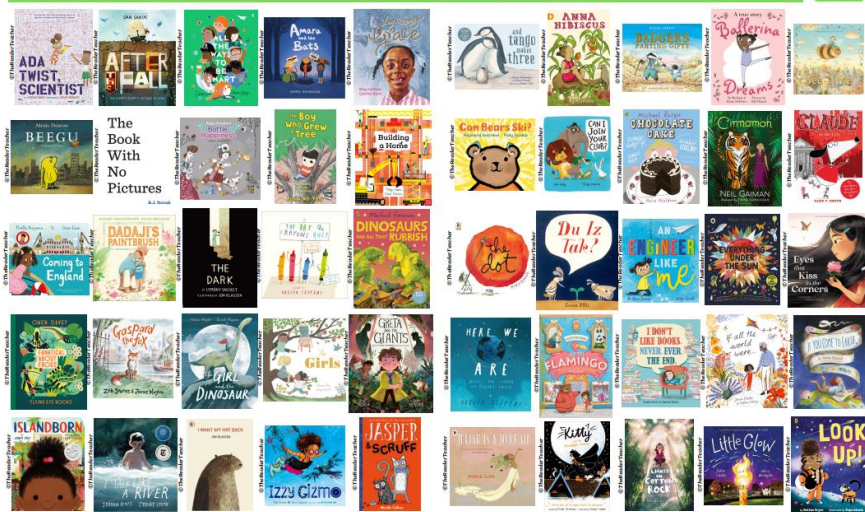

## Reading for pleasure in Year 1

We not only want our children at Stanburn to learn to read – we ensure our pupils develop a love of reading by exposing them to high quality texts each day during storytime and throughout the curriculum.

Our pupils will take home a book to read for pleasure alongside their home

## How to support reading at home.

- **We expect children in Year 1 to read for at least 15 minutes at home each day.** Please comment in your child's home reading record three times a week and encourage your children to share their opinions about the texts they have read.
- **Children will also be allocated Read Write Inc. videos to watch and online games to play** to help them consolidate the new sounds they have learnt that week.
- **Please complete any phonics activities that are sent home** – these will differ between pupils depending on which group your child is in.

Believe, achieve, succeed  
*Learning without limits*

## How to support reading at home.

Parents are able to purchase Read Write Inc. 'Home Learning Kits'.

Each kit contains resources matched to the phonics set your child will be working within, including:

- Illustrated flashcards
- Wipe-clean sheet and pen
- Handwriting books
- Posters and sticker sheets
- Storybooks
- Parent handbook

## ***Phonics Screen Check***

### ***What is the Phonics Screening Check?***

The Phonics Screening Check was introduced in 2012 in primary schools in England. All children in Year 1 take it in the summer term.

### ***How does the Phonics Screening Check work?***

The Check consists of 40 words and non-words that your child will be asked to read one-on-one with a teacher. Non-words (or nonsense words, or pseudo words) are a collection of letters that follow phonics rules your child has been taught, but don't mean anything – your child will need to read these with the correct sounds to show they understand the phonics rules behind them. The 40 words and non-words are divided into two sections .

*Learning without limits*

## ***Teaching and Learning across the Curriculum***

Each week children will complete the following

- English
- maths
- reading
- handwriting, grammar sessions
- science
- PE twice a week
- History / Geography
- PSHE
- Music
- Art/DT
- Computing
- RE

Believe, achieve, succeed  
*Learning without limits*

# Home Learning

- Set every **Friday on Class Dojo**
- Home learning is recorded in the Home Learning book each week.
- The children are responsible for bringing and handing in their homework on the following **Wednesday**.

Home learning is checked every week. Any gaps in learning are addressed in class, group work or 1:1.

Believe, achieve, succeed  
*Learning without limits*

# Start and end of the day...

## Attendance and Punctuality

It is incredibly important that children are in school everyday, on time. Children should arrive between 8:25-8:40am. We begin our learning shortly after this time so it is imperative children are in school promptly.

Missing even 5 minutes of school a day impacts on your child's learning.

**MOMENTS MATTER, ATTENDANCE COUNTS!**

End of the day collection is at 3:15

**DID YOU KNOW?** If you are 15 minutes late each day you will have missed 2 full weeks of school in one year?

Believe, achieve, succeed  
*Learning without limits*

## ***Working in Partnership***

The year team would like to work in partnership with parents and guardians to ensure that we all have a productive year.

Things you can do at home to support your child:

- Read regularly with your children
- Have conversations about their learning
- Support home learning
- Ensure they are organised and ready for their day at school
- Sign up as a parent volunteer to help pupils in our school

Believe, achieve, succeed  
*Learning without limits*

If you have any questions, please email  
the school office and remember to  
include your child's name and class.
