

# STANBURN NEWS

## Black History Celebratons

20.10.23

Earlier this week, we had our long- anticipated BHM assembly. We learned about the origin of BHM and recapped the achievements of prominent and influential black figures from around the world with a focus on 'Saluting our Sisters'. We also had a wonderful performance by Nkanyezi and Tiffany with the 'Jerusalema' dance that went viral during the pandemic and swept the world with happiness and joy. Thank you to all of the children who have submitted their poetry and pop- ups. They are truly stunning!

Thank you to Miss Nicholas for organising.

# QUAD KIDS ATHLETICS COMPETITION

On Tuesday 10th October, Stanburn Primary participated in the QuadKids 'personal best' competition at Bannister sports centre which was our first competition of the year.

The QuadKids 'personal best' is an individual competition where each Athlete performs in the 600m long distance race, 75m sprint race, the standing long jump and the vortex howler throw to see which Athlete can accumulate the most points. All of our participants performed extremely well with Ana (6 Dove) the top of the bunch, she came fourth. Ana managed to win both her races and also showed great technique in her long jump efforts. The boys also did well as 3 of our Athletes made it into the top 20 out of 130 competitors with Asael (6 Silver) being our top Athlete.

## Meet the Stanburn Squad:

Dove – Ana, Hadi

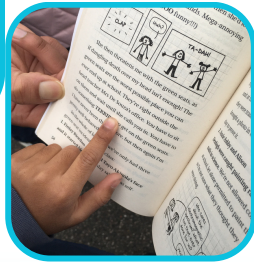

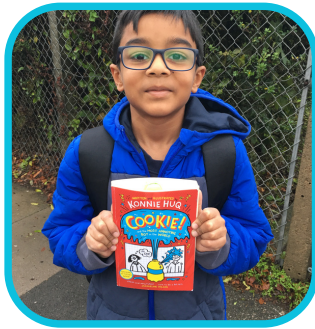

Pebble – Adnan, Jasmine, Sienna,

Platinum – Cade, Pranisha, Sahil, Sophia

Silver – Asael, Jenna

### My favourite photo of the week.

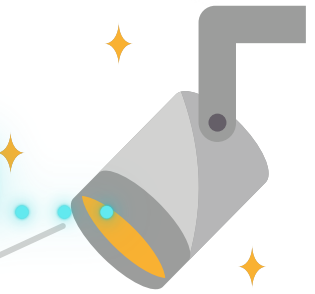

Dayan couldn't wait to show me this book. Check out the headteacher's name! This will definitely be on my Christmas list.

Ms D'Souza

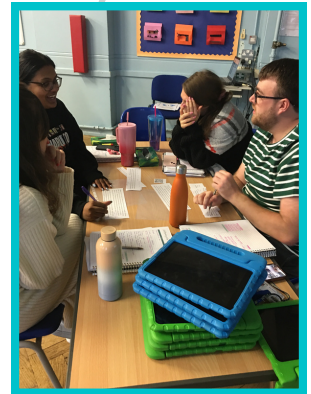

## SPOTLIGHT ON..

### Staff Training

All staff have a programme of training to keep their skills current and to learn and discuss from each other. Each week we have continuous professional development sessions (CPD) to develop both teachers and teaching assistants. Topics covered have been around teaching and learning, supporting the children's emotional needs, planning, improving subject knowledge and dealing with behaviour.

This year, we have introduced twilight sessions from 3.30-5.30 once a month, where we can cover something in more depth. Recent training has covered our new phonics programme Read, Write Inc (RWI), developing our safeguarding knowledge and learning how to deal with anaphylaxis!

### PROSPECTIVE PARENT FEEDBACK

I have always called Stanburn 'the shelter' as it looks so old from the outside compared to other schools. However, I am so impressed with what is going on inside. What you are doing here is amazing.

### UPCOMING DATES
