## New Curtains

Our lovely halls now have lovely curtains to match. This will enhance any drama, assemblies and productions! We will also be able to rent the stage to companies such as 'Perform'

## Calm Classrooms

Staff have redecorated their classrooms in neutral colours so as not to over-stimulate the children. We have removed excess furniture and clutter to ensure learning is calm and focussed.

# Attendance and punctuality

## Attendance

It is important that your child attends school every day. Education is important and missing school means missing out. Children should be at school, on time and ready to learn, every day the school is open.

### Days off school add up to lost learning

#### 175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

## Punctuality

The school gates will open at **8.25am**, children will be allowed into the building from 8.35am. The external gates will close at **8.40am** and the registers will be taken at **8.45am**.

### Every minute counts !

If your child arrives to school late everyday their learning begins to suffer.
