

# STANBURN NEWS

Happy New Year

12.1.24

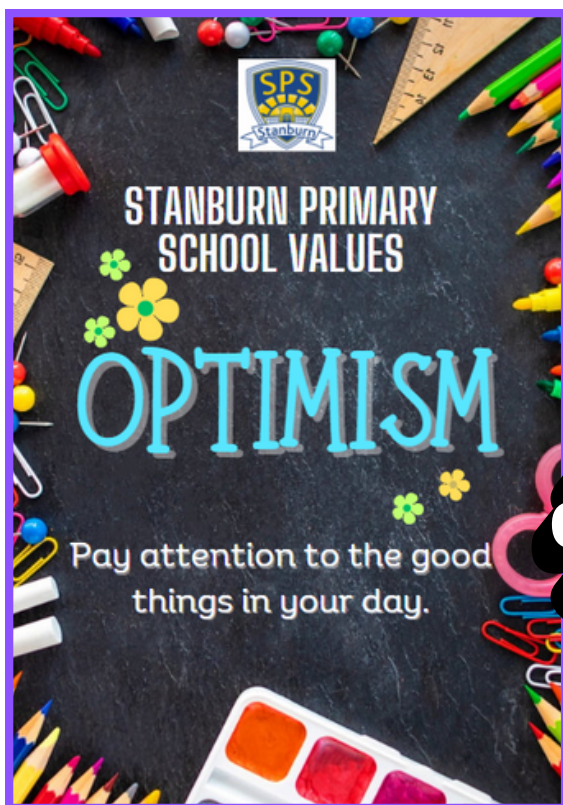

## OPTIMISM

Happy New Year to all our families.

We started the school year with assemblies based on the Stanburn value of optimism.

We want our children to look forward to every day and notice the small things that make us happy.

DON'T FORGET OUR  
JANUARY COMPETITION  
TO SUBMIT A PHOTO  
THAT REPRESENTS  
OPTIMISM TO YOU.

# STAFFING UPDATE

This term we welcomed a number of new staff:

Mrs Jacewicz-Bian – Reception Teaching Assistant

Miss Whilby – Year 2 Teaching Assistant

Miss Zhang – Year 2 Class Teacher

Mrs Agarwal – Year 3 Teaching Assistant

Miss Whyte – Year 4 Teaching Assistant

Mrs Ali – Welfare Assistant

Mrs Lashgari – Welfare Assistant

All have settled in well.

# STANBURN ACHIEVES SCIENCE QUALITY MARK

Stanburn has achieved the Primary Science Quality Mark. Last year, we changed the way science was taught at Stanburn focussing on teaching the children to work scientifically and also to try to work things out for themselves. We developed an enquiry based approach to the lessons working with the university of Hertfordshire.

This is an amazing achievement and the culmination of an immense amount of work from all our staff but especially Miss Gilani and Mr Joanides, who coordinated our efforts.

## My favourite photo of the week.

Sunbeams class making toffee apples!  
Most adults know what toffee apples are, but some of our children have never heard of them. As part of their topic on the circus, Sunbeams class made toffee apples and then ate them as their snack!

Ms D'Souza

# MODEL PUPILS

It's back!!

Last term our staff chose 4 pupils from each class to achieve the Model Pupil award. these were awarded to pupils who always do the right thing and are role models for the rest of the class. As well as a certificate, they will get to have tea with Ms D'Souza or another member of the leadership team. Look out for photos!

## PARENT FEEDBACK

We've noticed all the changes that have been made recently and really appreciate the efforts of all the staff. This is a great school.

## UPCOMING DATES
