

STANBURN PRIMARY SCHOOL

**Believe, Achieve, Succeed:
Learning Without Limits**

SEND Information Report 2023/24

All Harrow schools will have a similar approach to meeting the needs of pupils with Special Educational Needs and/or Disabilities (SEND) to ensure that they make the best possible progress in school.

All Schools must:

- **Identify children with SEN and ensure provision is made in accordance with the SEND Code of Practice: 0 to 25 years**
- **Appoint a SENDCo (Special Educational Needs and/or Disabilities Co-ordinator)**
- **Invest in whole school and targeted training for staff**
- **Ensure inclusive teaching and support practice is embedded throughout the school and that all teachers understand that they are 'Teachers of SEND'**
- **Provide information on school arrangements for SEND to parents and governors**
- **Consider pre-emptive (appropriate in advance) arrangements for pupils present and future with a disability**
- **Publish on their school website the school SEND policy and a description of the arrangements and specialist provisions made for children with SEND- including the accessibility plan.**

Our commitment and aspirations

Stanburn Primary School is a fully inclusive school. We ensure that all pupils achieve their potential personally, socially, emotionally and academically in all areas of the curriculum (regardless of their gender, ethnicity, social background, religion, sexual identity, physical ability or educational needs).

This document is intended to give you information regarding the ways in which we ensure we support all of our pupils including those with SEND, in order that they can reach their full potential. It may not list every skill, resource and technique we employ in order to achieve this, as these are continually developed and used to modify our provision to meet the changing requirements for individual children.

Children are identified as having special educational needs when their progress has slowed or stopped and the interventions and resources put in place do not enable improvement, because of the nature of their additional needs. Once this occurs, we generate specific needs based plans which help support their development and accelerate progress.

We aim to ensure that children with SEND at Stanburn Primary make good progress and achieve in line with other schools nationally. We ensure effective communication with parents and carers, in order to work collaboratively and secure the best possible outcomes for all our children.

Children's views are also critical in ensuring the right provision to meet children's needs. We work hard to ensure that reasonable adjustments are made to overcome barriers to learning. We have good relationships with outside agencies which assess children and advise parents and school staff.

Other useful documents such as our SEND and Inclusion Policy and Accessibility Plan are available on the school website. If you would like further information about what we offer here at Stanburn Primary, then please do not hesitate to contact us directly.

Who are the best people at school to talk to about my child's SEN?

- Your child's **Class Teacher**, who is responsible for planning and adapting the curriculum, Quality First Teaching, personalised learning and assessing their progress. The class teacher will also liaise with other members of staff who work with your child. The class teacher is your first point of contact as they are working with your child on a day-to-day basis.
- The **Special Educational Needs Coordinator (Miss C Crane)**, who is responsible for co-ordinating all the support and intervention in the school, keeping parents informed, holding SEND reviews and liaising with all agencies involved in your child's care.
- The **Headteacher (Ms E D'Souza)**, who is responsible for the day to day aspects of the school and all the arrangements for children with SEND. The Head teacher reports to the Governing Body on all aspects of SEND in the school.
- The **SEND Governor (?)**, who is responsible for making sure the necessary support is made for every child with SEND, who attends the school.

Leadership of SEND Provision

Our Assistant Headteacher for Inclusion/SENDCo ensures that all SEND provision is made in accordance with the SEND Code of Practice: 0-25 years.

The Code sets out the following expectations:

- High quality teaching, with adaptations made to meet the individual needs of specific pupils, is available to the whole class.
- Class teachers are responsible for planning the curriculum and assessing your child's progress, even if they have additional needs.
- High quality teaching, which includes effective assessment and target setting, will identify pupils making less than expected progress.
- Where progress continues to be less than expected the class or subject teacher, working with the SENDCO, will assess whether the child has SEN.
- Where a Special Educational Need is established, the school, in partnership with parents/carers and the pupil, will work through a four step graduated response: **assess, plan, do, review**, which is cyclical – termly reviews leading to revisions in plans and interventions.

- Where a pupil with SEND is reaching a point of transition (from primary to secondary school, or secondary to Further Education) the school will work with the parents and pupil to ensure a smooth and successful transition.
- Where there is sufficient evidence that a pupil's needs are still not being met through the graduated response and school's own resources (including funding), a decision may be reached to request a Local Authority assessment for an Education and Health Care Plan (EHCP).
- EHC Plans are integrated support plans for children and young people with Special Educational Needs and Disabilities (SEND), from 0 – 25. An EHC Plan will specify and coordinate additional funding and provision. The plan is focused on achieving outcomes and helping children make a positive transition to adulthood, including paid employment and independent living
- The school will annually monitor and evaluate the effectiveness of its provision for pupils with SEND.

How will I know how well my child is doing at school?

In our school we have:

- An open door policy - parents are welcome to make an appointment at any time
- Effective partnerships between parents/carers and teachers - we will communicate regularly
- Home school link books, when appropriate, to ensure that comments can be responded to
- Regular meetings with the class teacher and/or SENDCo
- If your child has an EHC Plan there will be formal meetings where progress is reported on, and a report written and available.

The different types of support that may be available for children at this school is set out below:

What are the different types of support that may be available for children at this school?

Area of needs	Whole school ethos and practice	Possible focussed support for some children's additional needs	Possible support and intervention for a small number of children who may or may not have an EHCP
Social, mental and emotional health needs	<ul style="list-style-type: none"> ● Consistent application of the school's behaviour policy ● A positive supportive and nurturing environment ● Circle time/PSHE curriculum ● Effective use of Pupil Wellbeing Mentors ● Zones of Regulation 	<ul style="list-style-type: none"> ● Identification and assessment in school ● Additional advice and support from outside agencies ● Adaptations to the curriculum to secure engagement and progress ● Support to build relationships and engage ● Trained Pupil Wellbeing Mentors to overcome barriers to social inclusion ● Monitoring and support during unstructured time e.g. breaks/ lunch 	<ul style="list-style-type: none"> ● Interventions are implemented, reviewed and revised ● Work with parents/carers to refer to CAMHS/other outside agencies as appropriate ● Targeted intervention to promote social skills and emotional resilience ● Adaptations to physical environment e.g. time out ● Targeted support from our Emotional Literacy Support Assistant
Speech, language, communication and interaction	<ul style="list-style-type: none"> ● Training for staff to meet the diversity of communication language skills ● Strong emphasis on speaking and listening and phonics teaching ● Communication friendly learning environment 	<ul style="list-style-type: none"> ● Small group phonic support ● Personalised support within the class ● Language monitoring systems upon entry to Reception and follow up provision ● SALT interventions delivered by trained staff ● Social skills groups 	<ul style="list-style-type: none"> ● Access to small teaching and learning groups ● Additional in class TA support ● Alternative communication systems ● Access to personal ICT/ adapted ICT equipment ● Speech & Language Therapy planned and delivered by a qualified therapist
Autistic spectrum	<ul style="list-style-type: none"> ● Structured day ● Positive behaviour management ● Management strategies ● Learning style understood ● Personalised learning within lessons 	<ul style="list-style-type: none"> ● Curriculum modified to take account of learning styles ● Individual coaching and support from the class teacher, TAs and Learning Mentors ● Use of appropriate resources e.g. visual timetables, social stories, work stations 	<ul style="list-style-type: none"> ● Key teacher ● Small group targeted intervention ● ICT used to reduce barriers ● Alternative communication systems – Makaton, PECS ● Advice and intervention from Harrow Outreach Autism Service

<p>Cognitive and Learning/Moderate Learning Difficulties</p>	<ul style="list-style-type: none"> ● Differentiation of the curriculum and personalised learning ● Teaching resources are accessible and appropriate ● Multi-sensory approach to learning ● Interactive environment ● Practical activities to promote engagement 	<ul style="list-style-type: none"> ● Curriculum is adapted to meet the needs of pupils ● Targeted intervention programmes ● Scaffolding used in lessons to promote inclusive teaching ● 1:1 reading alongside intervention programmes ● Access to personal ICT/adapted ICT equipment for alternative methods of recording 	<ul style="list-style-type: none"> ● Access to small teaching and learning groups ● Additional in class TA support ● Additional specialist teaching support ● Educational Psychology assessment / support ● Access to personal ICT/ adapted ICT equipment
<p>Sensory and physical needs (e.g. hearing, visual impairment, multi-sensory, physical and medical needs)</p>	<ul style="list-style-type: none"> ● Referrals to Harrow Children's Sensory Team ● Provision of specialised equipment ● Curriculum is adapted ● Seating position within class prioritised 	<ul style="list-style-type: none"> ● Modified learning environment ● Learning support ● Occupational Therapy and Physiotherapy from experienced TAs working from Therapy plans ● Mobility and care plan management ● Liaison with a range of medical professionals as needed - assistance via School Nursing Team 	<ul style="list-style-type: none"> ● Individual protocols and plans for children with significant physical and or medical needs ● Additional modifications to the school environment ● Additional resources to reduce individual barriers to learning ● Occupational Therapy and Physiotherapy from qualified therapists ● Access to external advice and assessment ● Advice and outreach from Children's Sensory Team

What happens if my child with SEND makes very little progress at school?

- Parents are encouraged to make an appointment with the class teacher if they have concerns about attainment, achievement, progress or happiness in school.
- Where a child with SEND continues to make little progress despite the support provided by the school's SEND provisions including external support and advice, and there is evidence that the child has severe and complex needs that cannot be met within the resources ordinarily available to school, we will ask the Local Authority to undertake a statutory assessment of the child's SEND either as set out in the SEND Code of Practice or through a request for an Education Health and Care Plan.
- Governor Involvement: All schools have a designated SEND Governor responsible for making sure the necessary support is available for every child who attends the school.

The Harrow Local Offer

The Harrow Local Offer sets out the services and support available in Harrow for children and young adults under the age of 25 with SEND.

<https://harrowlocaloffer.co.uk/services/education>

If you need to complain

Please speak to the school, including the Governors, before initiating any complaint or legal action, as we are fully committed to resolving issues for the benefit of our pupils.

Parents have the following rights of redress, should the school, Governors or Harrow Local Authority fail in its duty to provide, or if the parent disagrees with a decision or feels that there is discriminatory practice:

- The school or LA complaints procedure
- An appeal to The SEN and Disability Tribunal (LA decision)
- A claim against the responsible body (Governing Body or LA) for disability discrimination
- Appeal to the SEN and Disability Tribunal for discrimination
- A complaint to the LA Ombudsman (Schools and LAs)
