

2nd February 2025

Dear Parents/Carers,

Last week, we invited lots of parents into school with workshops in Reception, Year 1, Year 4 and Class assemblies for Year 5. Year 5 were also treated to an exceptionally good performance of 'Grease' at Park High.

My highlight of the week was accompanying our PuPs (Pupil Parliament) to Westminster Palace itself! We were lucky enough to visit the House of Commons and The House of Lords and had a fantastic guide who taught us all so much. She commented that our PuPs were much better behaved than the real Members of Parliament and she thought our questions were the best she had heard all week. A huge thank you to Miss Raine for organising such an amazing opportunity for the children.

Next week is just as busy with many year groups out on trips. We are participating in Internet Safety Day on Thursday, and on Friday, to celebrate NSPCC Number Day, we are inviting the children to dress up as Times Tables Rock Stars! I can't wait.

Ms D'Souza
