

17th November 2024

Dear Parents/Carers,

I don't need to tell you what went on this week as we posted so many photos! Remembrance Day was one to remember. Getting the whole school in the playground to observe the two-minute silence was truly moving and we hope the children will remember this for a very long time. Celebrating Anti-Bullying week was a lot of fun, but staff made sure the very important message of treating everyone with kindness and respect was paramount. We were treated to the first class assembly of the year from 6 Silver who not only shared the history of cricket but showed us how sport is able to bring people of all communities and backgrounds together. Parents of Year 1 and Year 2 were invited to learning workshops, flu immunisations and school photos took place and, oh yes, we made it into Stanmore News!

I'm very excited about next week as we celebrate UK Parliament Week, with Stanburn's very own Polling Day for pupils planned for Wednesday; watch this space!

Enjoy the rest of Sunday
Regards

Ms D'Souza
