

# PARLIAMENT UPDATES

## April 2025

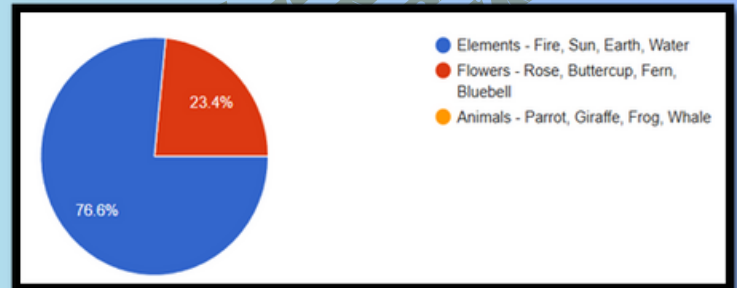

The PuPs have been given the exciting responsibility of relaunching our school houses.

During Pupil Parliament meetings, each cabinet discussed and carefully shortlisted a range of ideas for our new house names. To ensure the process was collaborative, teachers then voted on their favourite option from each cabinet's top three choices.

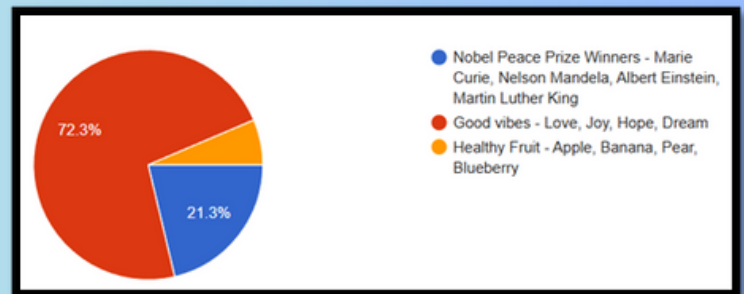

Each Cabinet is now preparing an assembly to present their ideas to the school. Following this, they will run a campaign to promote their chosen idea—this may involve creating posters, visiting classes, or using other creative strategies to spark enthusiasm among pupils.

At the end of term, the whole school will take part in a polling day, where everyone will cast their vote to decide the final house names.

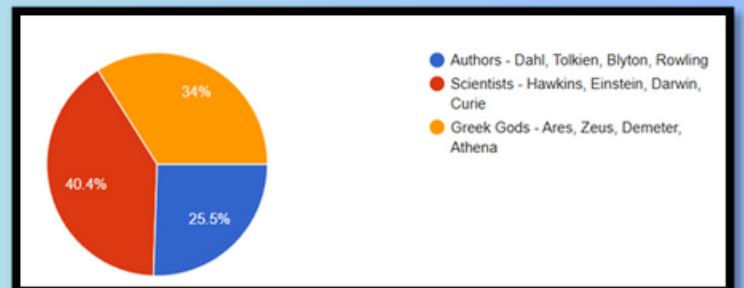

The pupils have shown fantastic enthusiasm, and it's been wonderful to see them taking real ownership of the process.
