

Supporting children, families and schools

The Harrow Schools Counselling Partnership is working to improve the emotional wellbeing of children, parents and staff by working with the whole school community.

The COVID-19 pandemic has affected everyone in our community.

For many of us it is impacting our emotional health and wellbeing.

If you are struggling with anxiety, experienced a bereavement, had a family breakdown, suffered a job loss. We are here to support you.

If you are worried about your child, how to support them with their anxieties, their behaviour and emotional wellbeing. We are here to support you.

We offer a confidential space in which thoughts and feelings can be explored without judgement.
