

PUPILS PARLIAMENT UPDATES

June 2025

This month, we began our exciting journey to relaunch the school houses by creating campaign videos that were proudly shown during assembly. Our Pupil Parliament Cabinets put great effort into making these videos to share their ideas and inspire the whole school!

Alongside the videos, pupils designed eye-catching posters to promote their chosen house themes. These posters have been displayed around the school to help everyone learn about the different options. The Cabinets also visited classrooms to answer questions and explain their ideas in person, encouraging thoughtful discussions and helping their peers make informed choices.

The cabinets will continue campaigning, leading up to a whole-school vote in the last week of term to decide the new house theme. This process is a fantastic opportunity for our pupils to develop leadership, teamwork and communication skills while getting involved in a meaningful school decision.

We can't wait to see which theme will win and how it will inspire the house activities next year. Well done to our PuPs for their creativity and dedication!
