

# PUPILS PARLIAMENT UPDATES

## December 2025

After a successful day at the polling station and with all votes verified, we are proud to present our new Pupil Parliament Electives for this term! Our pupil leaders have been allocated to the following cabinets:

### **Curriculum Cabinet: Freya, Ayra, Lola and Nashra**

This team will help select new library books and suggest ways to improve classroom resources.

### **Environment Cabinet: Ava, Arjun, Hassan and Ava**

They will work on recycling initiatives, creating green spaces and enhancing our outdoor areas.

### **Sport Cabinet: Yeva, Shivaay, Karina and Esha**

This cabinet will promote physical activity through new equipment, outdoor challenges and improved sports events.

### **Wellbeing Cabinet: Ariya, Lily, Ayaan, Riyanni and Tala**

They will focus on supporting mental and physical health with quiet spaces, mindfulness activities and improved lunchtime options.

Already, our music teacher, Mr Thuva, has tasked the Pupil Parliament with gathering feedback to make lessons and assemblies more fun and engaging. They will explore ideas such as:

- Creating more student-led performances
- Making music lessons more interactive
- Giving feedback on student participation in assemblies
- Suggesting new songs for singing assemblies
- We are excited to see their creative ideas in action this term!
