

Learning Enrichment at Stanburn

Trips Overview 2025-26

Intent

We are passionate about providing our pupils with a range of enrichment opportunities to complement the work taking place within the classroom. Across the school year, pupils will attend a range of experiences both in school and out of school.

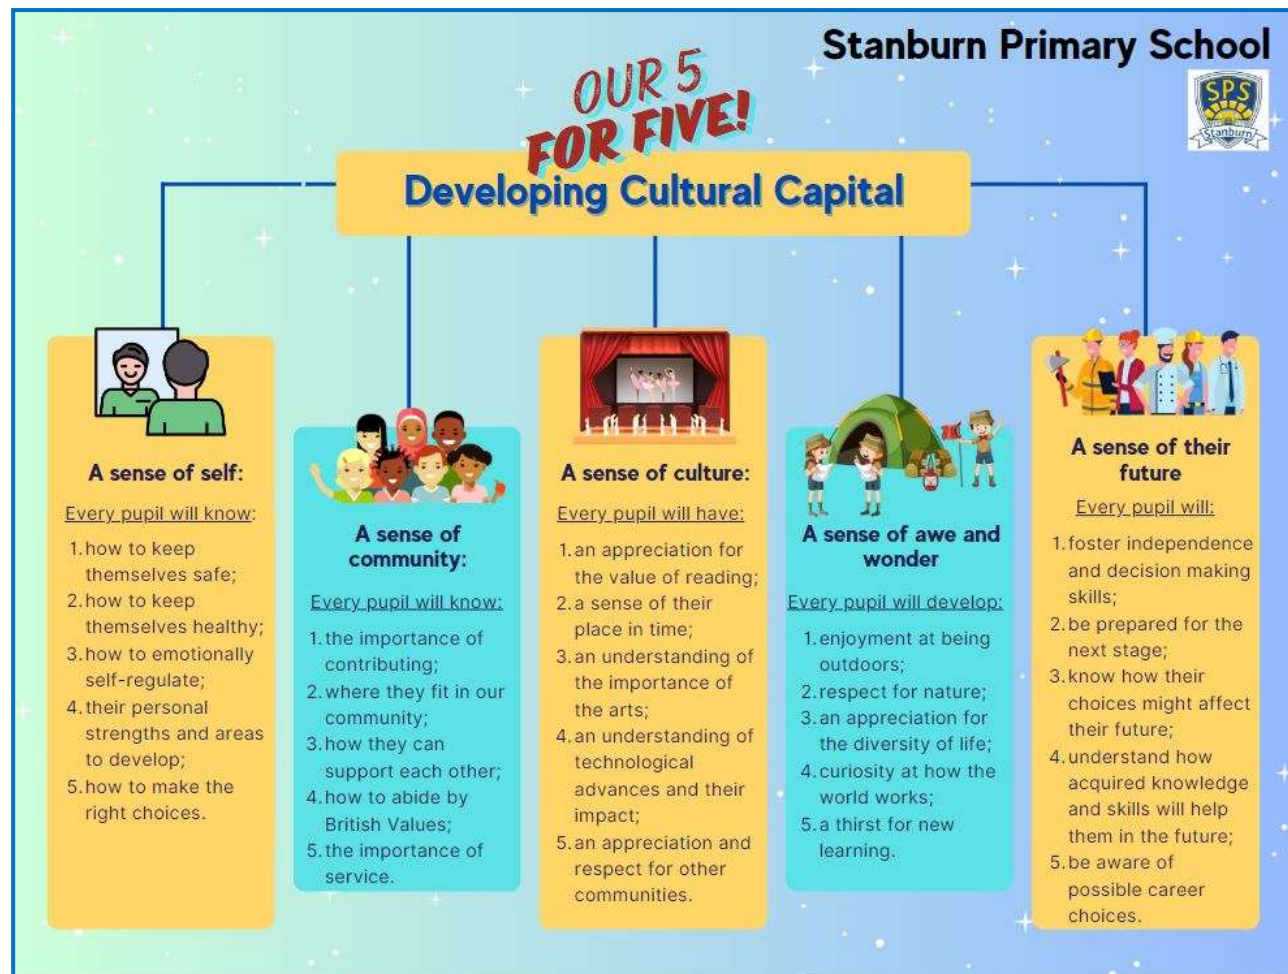

In order to keep the cost to parents as low as possible, where appropriate, trips which take place outside of school will make use of TfL's travel scheme and pupils will walk to trips which are within a 30 minute walking radius of the school. Each academic year there will be six enrichment opportunities for each year group:

- Outside of school, local; FREE (walking or using the TfL scheme)
- Outside of school, local; PAID (walking or using the TfL scheme)
- Outside of school, further afield; PAID (paid transport needed)
- In school PAID (e.g. a workshop in the hall)
- In school FREE (e.g. guest speaker or free workshop)
- In school PAID (e.g. outside company experience: Farm visit)

All learning enrichment opportunities at Stanburn Primary School link to one of our '5 for Five' Cultural Capital categories, which ensure every pupil at Stanburn develops into a well-rounded individual ready for the next stage.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2	Cost
