

PUPILS PARLIAMENT UPDATES

February 2026

This month, the Pupil Parliament has been busy reviewing and researching ways to make wet play boxes more fun and inclusive for everyone. Each class shared their ideas about what activities and resources they enjoy most during indoor playtimes. Suggestions included new board games, puzzles, craft materials and colouring sheets suitable for all ages.

After carefully considering the feedback, orders have now been placed for the new items. We are excited to announce that we are now waiting for delivery, which will include a variety of engaging resources to make wet play days more enjoyable for every pupil. The Pupil Parliament is proud to ensure that every child has access to activities they can enjoy, helping our indoor playtimes be more inclusive, creative and fun.

Watch this space! The Pupil Parliament have also been busy recording their very first podcast, Learning Out Loud. This exciting new project gives pupils the chance to share their ideas, experiences and opinions in their own voices. Listeners will get a behind-the-scenes look at what learning really takes - how much teamwork, creativity and problem-solving goes into everyday school life. From organising activities to making decisions that benefit everyone, the podcast highlights the effort and dedication of pupils working together to make Stanburn a better place to learn. We can't wait for you to listen, enjoy and be inspired by all the amazing things happening in our school!
