

Learning Enrichment at Stanburn

Trips Overview 2026-27

Intent

We are passionate about providing our pupils with a wide range of enrichment opportunities to complement the learning that takes place in the classroom. Throughout the school year, pupils will have a range of experiences both in school and beyond the school grounds.

To help keep costs for families as low as possible, we make use of TfL's travel scheme where appropriate, and pupils will walk to trips that are within a 30-minute walking radius of the school.

Each academic year, every year group will have a number of enrichment opportunities, usually occurring each half term, including:

- **Outside of school – local and FREE:** Walking or using the TfL travel scheme
- **Outside of school – local and PAID:** Walking or using the TfL travel scheme
- **Outside of school – further afield and PAID:** Where paid transport is required
- **In school – FREE:** For example, a guest speaker or free workshop
- **In school – PAID Workshop:** For example, a specialist workshop delivered by an external provider
- **In school – PAID Experience:** For example, an external company bringing an experience into school

Residential Trips

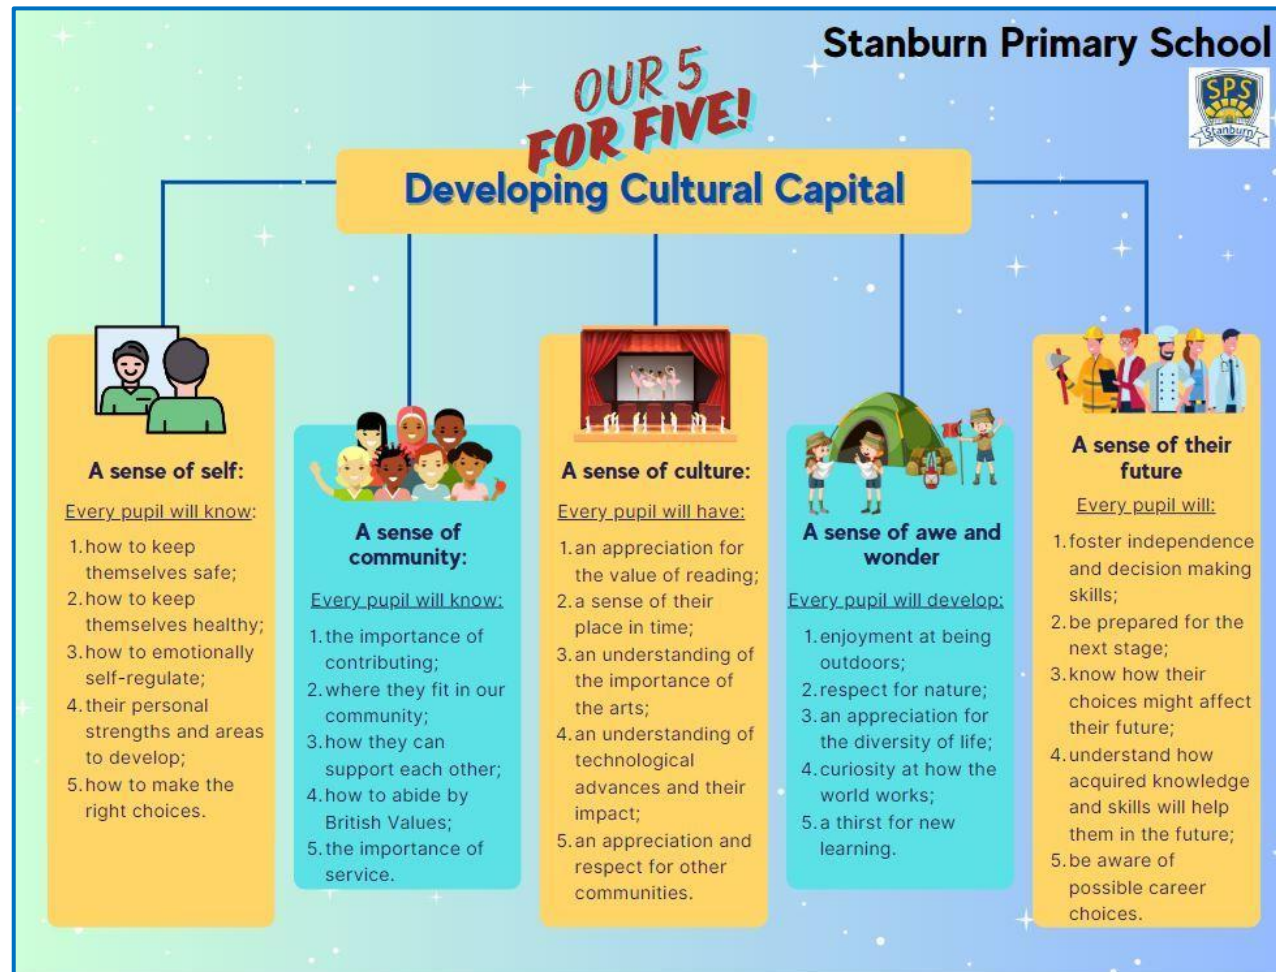

Pupils in Years 4, 5 and 6 also have the opportunity to take part in a residential trip, with the length of each experience increasing as pupils progress through the school. Year 4 pupils spend one night away from home, Year 5 pupils spend two nights away and Year 6 pupils spend four nights away. This progression provides pupils with increasing opportunities to develop independence, resilience, teamwork and decision-making skills, while experiencing new environments and stepping outside their usual routines.

Residential trips are an important part of our wider personal development offer, helping pupils to build confidence, create lasting memories and develop a sense of awe and wonder about the world around them. They also help prepare our pupils for the future by encouraging them to take greater responsibility for themselves and others.

Learning Enrichment at Stanburn

Trips Overview 2026-27

All enrichment opportunities at Stanburn Primary School link to one of our '5 for Five' Cultural Capital categories, helping to ensure that every pupil develops the knowledge, experiences, skills and confidence to become a well-rounded individual, ready for the next stage of their education and life beyond school.
