FUND MATCHING WITH EMPLOYERS

Could your employer help us raise even more?

Many companies match their employees' charitable donations – meaning your gift to Friends of Stanburn could be doubled at no extra cost to you.

If your workplace offers matched giving or charitable support, we'd love to hear from you and help get everything set up.

Together, we can make an even bigger difference.

We want to express our sincere thanks and gratitude to the whole Stanburn Primary community. From the wonderful teachers, wider school staff and the parents/carers who generously give their time to help set up and run the events, to all the parents who allow their children to participate in our events and for everyone who came to support the Winter Fayre – we hope to see you at all our future events.

The funds raised together are a true reflection of the generosity, time and efforts of the whole school and parent community. Every small act mattered, and together we created something special. Without your support, these events wouldn't be able to run so successfully.

From all of the Executive PTA team, thank you.
