PTA Newsletter

Chairperson's Greetings

🌟 Hello Stanburn Families! 🌟

I'm Aarti Mepani and I'm incredibly proud and excited to step into this new chapter as your PTA Chair, alongside a wonderful new committee full of energy, ideas, and community spirit. What makes Stanburn so special isn't just the school — it's you: the parents, carers, teachers and children who make this place feel like **one big family**.

I'd like to take a moment to thank the outgoing PTA team — and all those who have served in years past — for their incredible dedication, creativity and countless hours of effort. You've built **a strong foundation** upon which we are now ready to grow, evolve and dream even bigger.

Every parent and carer at Stanburn is already part of the Friends of Stanburn PTA — our amazing **Parent Army!** Whether you've helped at a fair, donated a prize, baked a cake, or simply turned up to cheer, you've already made a difference. Together, we **make the magic happen**. ✨

This year, **our mission** is simple — more fun, more creativity, and more opportunities for our children to shine. From discos and fairs to talent shows and bake sales, we'll be creating moments of joy, laughter and pride for every child at Stanburn.

So come and be part of it! Bring your ideas, your enthusiasm, your time — or even just your smile. Every bit of help adds up to something incredible. **Together**, we can make this year BIGGER, ***brighter***, and **bolder** than ever before! 🎉

Meet the NEW committee!

The PTA Team

A brand-new year, a brand-new team — and a whole lot of enthusiasm!
Say hello to the amazing parents behind the Friends of Stanburn PTA — the dream team bringing energy, ideas, and sparkle to every event. Together, they're here to make school life extra special for every child at Stanburn.

"Together, we're not just raising funds — we're raising smiles, confidence, and community spirit!"

Parent Power

What a community we have! The Stanburn spirit has truly shone through this year — with parents, carers, teachers, and children joining forces to bring our events to life and raise incredible funds for the school. Together, we've proven that when the **Stanburn Community** unites, there's no limit to what we can achieve. Every contribution, big or small, helps us build a stronger, brighter, and more inspiring environment for our children to thrive in. 💫👏

It's now a new year and it's time for the **Parent Army** to assemble once again and do everything in our power to take Stanburn to the next level 💪🌟
