

Tag-Rugby Festival - Thurs 29th September

On Thursday 29th September, Stanburn Primary hosted a Tag-Rugby festival. The conditions were perfect as our children looked really determined to show their skills against 5 other schools: St John's, Glebe, Norbury, Roxbourne and Marlborough

Stanburn displayed amazing organisation and defensive skills in the early stages of the festival but unfortunately that wasn't enough as the first two matches ended in defeat! The early setback didn't stop Stanburn from showing courage and perseverance in the next match and again the children produced excellent tagging skills. Although Jay (6 Silver) produced one of the moments of the festival by jinxing past the whole opposition and almost scoring an amazing try, the game ended in defeat once again. In our final match, Stanburn's hard work finally paid off as Dhruv and Shaylan's co-operation provided the try which allowed Stanburn to get the draw.

As a result, Stanburn came away from the festival with a draw out of 4 matches but most importantly they gained valuable experience and are now hungrier than ever.

Mr Ehui reflected on the festival saying, 'I'm so happy with today's outcome, it's always great hosting festivals at our school, all the children from all 5 schools seemed to have had a great time and I've witnessed some great plays particularly from Stanburn. All 10 children should really feel proud of themselves because they represented Stanburn superbly.'

Squad:

Veer, Roman, Dhruv, Fatima, Jack, Hella, Jawhara, Jay, Shaylan and Rhia
Player of the festival: Shaylan
